MEMORANDUM FOR: Deputy Director for Intelligence  
Deputy Director for Plans  
Deputy Director for Science and Technology  
General Counsel  
Inspector General  
Legislative Counsel  
Director of National Estimates

SUBJECT : Headquarters Building Electrical Tests

REFERENCE : Multiple addressee memo dtd 14 Dec 70 fm DD/S, same subject

1. Referenced memorandum described our in-house capability to generate and distribute electrical power to the Headquarters Building in the event of commercial power failure. It further described periodic test procedures.
2. Since the issuance of that memorandum, additional progress has been made in upgrading the emergency power generating and distributing facilities.
3. The attachment describes, in more precise detail than the referenced memorandum, emergency power service to be provided to certain areas throughout the Headquarters Building during selected and scheduled monthly tests. It is requested that you remove Attachment 3 of referenced memorandum and substitute for it the attachment herewith.
